May and June proved to continue the trend of busy, busy months. The Lord is continuing to bless this ministry and I have had the opportunity to preach, present the ministry, and work. I am pleased that in my work my family is often able to travel with me and be a help. My son Elijah has been instrumental in helping with the physical labor, and Joseph is following in his footsteps. I have always heard it said that when the Lord calls a man, he calls his whole family and I can attest that is true!

In May, we traveled to Maryland for a Missions Conference at Lighthouse Church where I was allowed to present the ministry. We had such a great time of preaching and fellowship.

While in Maryland I also had the honor of preaching at Liberty Baptist Church in Pennsylvania and also at First Baptist Church of Green Valley, we are pleased to announce their decision to host a trailer.

June was no less fruitful, as we had the National Meeting, and several preaching engagements including Preaching for a week at Barin Baptist Youth Camp in Alabama.

Barin Baptist Youth Camp

The Lord has given me a great burden for the youth. Eleven kids made a decision for Christ at the camp in Foley, AL.

Welcome

We are so excited to be adding First Baptist of Green Valley to Disaster Relief. They have a vision of working with several of our sister churches in the area to host a trailer and to build a team of volunteers. Please continue to pray for the Lord to grow this ministry.

Mobile Alabama

After preaching the camp and before the National Meeting I made a stop in Mobile Alabama. On Sunday I had three speaking engagements at three different churches. Magnolia Springs Baptist Church was so gracious to allow my family to use their mission house and to present our ministry. Then we were off to Baptist Chapel where I brought the morning message. We were surprised to find that their VBS chose disaster relief to receive their missions offering. And finally I preached the evening service at Schillinger Road Baptist Church where we learned that they voted to give a generous offering to Disaster Relief also. I am humbled by the support of this ministry, and to me and my family as well.
