SEPT-OCT 2024 REPORT

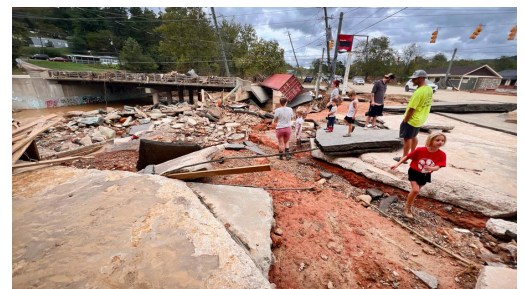

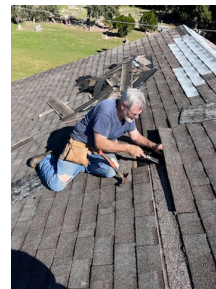

September and October have been very busy months for Disaster Relief. In September, we were privileged to be invited to the Missions Conference at Benchmark MBF, by Brother Alan Schoeff and his congregation.

After we returned home, Hurricane Helene hit Florida, Georgia and North and South Carolina. Our teams responded first to North Florida and South Georgia. The Landmark MBC of Madison, FL opened their building for us to stage in. As soon as we were done there we moved to Swannanoa, NC, where Pastor Jason Bartlett opened Landmark MBC as an aid station. Foxhole Inc. Ministry came from Texas to help with tree removal. They did tens of thousands of dollars of tree removal at no cost so that they might be able to witness to the residents there. The people of the church began handing out supplies and we had volunteers from as far away as New York that came and assisted them.

With operations going on in two places, I asked Deputy Director Bill Horn to continue working with Brother Jason in Swannanoa, NC while we began the work in Central FL. We are fortunate to have someone as talented and qualified as Bro. Bill, who was able to coordinate things without a hitch.

Finally, a huge thank you to all the volunteers who took time off work to assist in the areas affected by these two storms. It would indeed be impossible to get the work done without dedicated volunteers. So, thank you very much! Also, thank you to the many churches and individuals who have donated money so that we could operate effectively. All the work, loaning generators, and gasoline to run them, is done without cost to those we minister to. It would be impossible to operate this way without the support of those who donate financially. Your generosity has not only impacted people affected by these disasters but also will improve our ability to respond to future disasters. Thank you for the generous one-time gifts and to those who are regular supporters. It is truly amazing what God has done through your generosity.

Then the disciples, every man according to his ability, determined to send relief unto the brethren which dwelt in Judea:

Which also they did, and sent it to the elders by the hands of Barnabas and Saul.

Acts 11:29-30
